## Panasonic Alkaline Non-Rechargeable Batteries

ZR6XT/2B

21198939

LR6TTS/4B

The new alkaline batteries from Panasonic use advanced materials that have extended their service life by up to 160%, compared with previous models. They have been developed for the demand of the high drain digital products on the market today and are suitable for all types of digital products

- Premium power for longest lasting performance
- Designed especially to suit high drain appliances
- Environmentally friendly with no mercury added
- Safe and reliable design
