

# TB-Series Free Through Terminal

Detailed product specifications are available on: [us.100y.com.tw](http://us.100y.com.tw)

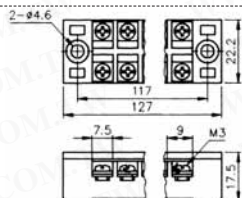

### SPECIFICATIONS

- Wire range: 12 to 18AWG
- Body material: Thermoplastic (UL94V-0)
- Terminals: brass tin plated
- Screws: steel nickel plated
- Temperature rating: 40 to 100
- Insulation withstands: voltage AC 2000V/min
- Insulation resistance: 1000M or more at DC
