

AC Power Strips

Detailed product specifications are available on: us.100y.com.tw

The switch could be broken automatically overloading. Press this key-press, then, it will get back

- Flatfoot plug
- Safe computer extended wire
- Saving space
- Luminous switch
- Overloading, the switch could be broken automatically

Part No.	Product No.	Description
7499	PSS-2B-F6	3P*6 AC Power Strips For Computer PVC-1.7M

4.5M 3 hole 4 plug one switch (steel shell)

Part No.	Product No.	Description
28162	SG304-15	4.5M 3 hole 4 plug one switch (steel shell)

- 1.8M
- AC 125V 11A 1210W
- Safe loop. prevent electric shock
- Flat design, safe, saving space

Part No.	Product No.	Description
23779	SPR-66	Single switch 6 plug rolling dustproof computer extended wire 1.8M

- Operating voltage: a. c. 110V 60Hz
- Rating voltage: a. c. 125V
- Rating capability: 1650W
- Rating current: 15A
- Luminous switch, overloading, the switch could be broken automatically
- Shell & wire use high grade temperature resistance material

Part No.	Product No.	Description
28102	TAP-6609B	Super thin save electricity 6 switch 6 plug extended wire 15A9FT

Luminous switch
The switch could be broken automatically overloading. Press this key-press, then, it will get back

- Protect to 4500 volts
- 10 Nano response
- Max total load 13Amps
- Luminous switch, overloading, the switch could be broken automatically
- Shell & wire use high grade temperature resistance material
- 4.5kV anti surge
- Conform to B. S. 1363/A

Part No.	Product No.	Description
16378	TC314-15	3P*4 AC Power Strips

Luminous switch
The switch could be broken automatically overloading. Press this key-press, then, it will get back

- Rating power: AC 125V, 15A, 1650W
- Operating temperature range: -20°C~90°C
- Overloading, the switch could be broken automatically

Part No.	Product No.	Description
12708	TC636-15	3P*6 AC Power Strips 15Ft.

AC Power Sockets

Detailed product specifications are available on: us.100y.com.tw

- 15A 125V
- Pass USA UL attestation
- white, black, grey
- Suitable for Medical equipment, electrical equipment, mini dynam, benzine dynam etc

Part No.	Product No.	Description
41637	115-RH	15A125V American jacket

- 15A, 125V
- Max power: 1650W

Part No.	Product No.	Description
3884	2076	2P*3 AC Power Socket

AC 125V, 15A

Part No.	Product No.	Description
8719	LK-3011K	H AC Plugs 15A/125V
