

USHIO_Projection Lamps

Low Wattage Incandescent

- 120V/20W, 40W & 60W
- Minican Screw
- CC-8, Filament
- Clear & Frosted Glass Envelope

Detailed product specifications are available on: us.100y.com.tw

USHIO

MR-6 SUPERLINE™ REFLEKTO™

- only for use in approved halogen fixtures
- 2 inch diameter multilense reflector
- no light diffusion from backspill
- consistent color
- Low voltage-12 volts
- Integrated UV protection
- Universal burn position
- Available with front glass cover(/FG)

The geometry of the multilense reflector with an axial filament design, guarantees an absolute uniform appearance across the beam without unsightly shadow, dark spots or rings.

- Filament: CC-8
- Bulb finish: clear
- Base: R7s-18
- MOL: 95.25mm
- Lighted length (A): 23mm
- Bulb diameter (B): 18mm

EUROSTAR™ REFLEKTO™

- only for use in approved halogen fixtures
- Aluminized multilense reflector
- Low voltage-12 volts
- Less heat to back of the lamp
- Axial filament
- Integrated UV protection
- Universal burn position
- Available with front glass cover(/FG)
- Consistent color
- Precisely focused light cone
