## Magnifiers

Detailed product specifications are available on: [us.100y.com.tw](http://us.100y.com.tw)

Part No.	Product No.	Description	Range	Weight
29135	A206-005	5X Magnifier Lamp 110V	5X	3.4 Kg

Part No.	Product No.	Description	Range	Lens Dia.	Weight
24553	A435-222	22X Magnifier With Light	22X	20mm	50g

Part No.	Product No.	Manufacturer	Description	Range	Lens Dia.
24664	GCB-090	GOLDTOOL	Illuminated Magnifier	3x	90mm

Part No.	Product No.	Manufacturer	Description	Range	Lens Dia.
20509	GCB-175	GOLDTOOL	Illuminated Magnifier	4x	75

Part No.	Product No.	Manufacturer	Description	Range	Lens Dia.
47636	JF-22CB	XYTRONIC	XYTRONIC_5X - Magnifier Lamp	5?	120mm

Part No.	Product No.	Manufacturer	Description	Range
47621	JF-33CB	XYTRONIC	XYTRONIC_5X - Magnifier Lamp	5?

Part No.	Product No.	Manufacturer	Description	Range	Lens Dia.
50252	LTN501	PHILIPS	PHILIPS_Desk Light	3X	106*62mm

- three-dimensional magnification with light coming from the left or right and shadow-free magnification with light coming from both sides
- slim edge in front of the lens ensures that eye contact with the viewed object is not lost when switching from magnification to normal viewing and back again
- the neck joint between the head and arm moves in three planes: horizontally, vertically and laterally
- a specially coated ESD (electrostatic discharge) version is available for the electronic industry

Part No.	Product No.	Description	Range	Lens Dia.
8776	LUXO-WAVE-II	Pantoscopic Magnifier	3X	115V72W

Part No.	Product No.	Description	Range	Lens Dia.
18005	MG7100A	Magnifier With Light	8X/ $\phi$ 23mm	2.5V/0.3W

Part No.	Product No.	Description	Range	Lens Dia.
18009	MG7102	Magnifier With Light	20*21mm	2.33V/0.27A
